

Free Norwegian course : **Language training for Relocation- expats**

- Course from level A1- A2- B1
- Prepares for the official test
- Approved hours for PR and work purpose
- Choose classes between online or classroom
- Learn norwegian from qualified teachers

Are you new in Norway and ready to master the Norwegian language? Norwegian training at Lovra Academy follows the curriculum in Norwegian and social studies, preparing participants for the official norwegian test.

The course is designed for beginners with the aim of reaching a foundational level in Norwegian A2 and B1 and enhancing their job opportunities. Participants interact with teachers and career advisors during the course, receiving employment-focused guidance and interactive language instruction.

Lovra Academy is approved by the Directorate for Higher Education and Competence to offer Norwegian language training and social studies for adult immigrants.
